OPEN SEASON FOR
THE CIRCUS MAN

Cars Loaded With Bills and
Posters Arrive Ahead
of Show.

This is the open season for the circus. A big, yellow circus car arrived in El Paso Thursday morning from Tucson with 35 advertising men on board. Today they are decorating every dead wall, fence, barn and billboard with the posters of the Barnum & Bailey circus which is to appear here on Thursday, Sept. 29. This is advertising car No. 1. Three will follow in rapid succession distributing heralds of the coming of the shows and replacing the flaring bills that the west wind has demolished. It will require more than 100 men to man these advertising cars and to distribute the paper of the world famous circus over the city and the surrounding country.

It is claimed by the Barnum & Bailey management that the circus which is to appear in El Paso is the largest ever organized to travel. The railroad contracts are said to call for the transportation of 85 of the large circus cars, requiring several trains to transport them from city to city.

The payroll is said to include 1280 people, including 400 artists under large salaries for their part in the circus pageant.

The customary street parade will be given in El Paso and will be three miles long.

FAIR BOOSTERS GO
TO GET EXHIBITS

Frank Rich and George Clements Seeking Agricultural Exhibits for Fair.

Secretary Frank Rich, of the Fair association, left Wednesday evening for Albuquerque and points along the Santa Fe line in the interest of the big fair and exposition. Mr. Rich will visit all of the towns in New Mexico in the interest of the big show, and will be away for the remainder of the week.

George H. Clements, one of the assistant secretaries of the first annual fair will leave this evening over the Texas and Pacific for the Pecos valley in the interest of the fair and exposition. He will visit all of the Texas and Pacific towns in an effort to get agricultural and industrial exhibits from each section for the fair. He will go from the Pecos valley to Tucumcari.

SPORTLETS.
(By Tim.)

What occurred to 12 year old Edward W. Hoge in Washington, D. C. Wednesday, Sept. 7, in a thousand times. A hard thrown ball struck the lad in the right temple and killed him.

Under heavy track and cold weather, Rosevale romped in at the lead of the Missoula handicap at Anaconda Wednesday, Sept. 13.

Two singles, an error and a two-bagger netted three runs for Omaha Wednesday, and that was all. Des Moines made one tally.

Cobb bats like a rifle shot—with one eye. Examination of his eyes for a slight inflammation disclosed the fact that the famous batsman has a bum lamp, his left, and that it is partly closed when he stands at the plate.

Errors gave New York players their only run at Washington Wednesday, while the home team bunched hits with bases on balls.

With 125 pounds on top, Meadow won the Rough Riders' handicap at 50-3, Wednesday. Lombard was beaten in the stretch in a gallop, Ocean Queen behind place.

Al Kaufman, of California, and Al Kubiak of Michigan, Wednesday, signed papers to meet for six rounds at Baltimore, Sept. 13.

Three singles, a double, two stolen bases and a pass made a 4-3 victory for Cleveland over Detroit.

At Charter Oak Wednesday, grand circuit winners were Joe Roy, in the 2-12 race, and Dixie, in the 2-14 trot. Both won in straight heats.

Hits by Doyle and Snodgrass and two errors by Shean, allowed New York a two-run shut out over Boston Wednesday.

Mathewson fanned 11 men. The official one mile auto record, circular track, still is held by Ralph de Palma, who made it in 50.4-5 Sept. 11, 1909, at Minneapolis, in a Flat. Stop watches caught Barney Oldfield at 50-5 at Brighton Beach Monday, but the A. A. A. board only an "automatic" electric timer as "official."

Officials of the Indianapolis motor speedway have announced plans for a race, to be run May 27, 1911, in which American cars will be pitted against the best cars of Europe for a purse of \$25,000. The contest will be for 500 miles and is to be known as the "Indianapolis Motor Speedway 500 Mile International Sweepstakes."

LA MESA AGAIN DEFEATS LAS CRUCES.

La Mesa, N. M., Sept. 8.—The most interesting and exciting game of the season took place when the La Mesa West Sides crossed bats with the Las Cruces National Guards. The Las Cruces boys were defeated by the score of 12 to 5. The Las Cruces boys played a good game, but La Mesa played stronger than expected. The batteries were: Las Cruces, Juan Gonzalez and D. Chavez; La Mesa, A. R. and W. F. Herrans and E. Saenz.

TEXAS MAN TO LOCATE
A COLONY IN LOUISIANA

New Orleans, La., Sept. 8.—Sixteen hundred and fifty acres were bought today near Alexandria, La., comprising the old Ashburn plantation, by George C. Williams, of Kirbyville, Texas, who will spend \$50,000 equipping the place. It will be cut into 20-acre tracts and offered for sale to home settlers.

MAN SOUGHT THREE DAYS
IS CAPTURED NEAR PARIS

Paris, Texas, Sept. 8.—After having avoided the authorities since Monday, S. H. Tucker was captured early this morning and brought here and placed in jail by sheriff Walker, charged with having shot David Lynch.

Don't waste your money buying plasters when you can get a bottle of Chamberlain's Liniment for twenty-five cents. A piece of Chamberlain's Liniment is superior to any plaster for lame back, pains in the side and chest, and much cheaper. Sold by all druggists.

DOUGLAS COMING
TO PLAY GOLF

Country Club of Arizona
Town Promises to Bring
Good Team Here.

October 16 and 17 are announced as the dates for the annual golf tournament between the El Paso and Douglas Country club golf teams. These dates have been agreed upon by the sports and pastimes committees of the two clubs and Douglas will bring a strong 20-man team to El Paso to compete in the annual contest. Either of the teams have yet been selected, and it will depend upon the scores made by the players between now and the time for the annual match as to the personnel of the two competing teams.

This annual golf contest is one of the most pleasing features of the fall and winter season of sports in the south west. The matches are always the occasion for a round of informal social features at the club, entertaining the visiting team and friends, and the play is always followed by a large gallery who enjoy the playing of the two teams as much as the competing golfers themselves.

The trophy cup for which the match is played each year is now held by the Douglas club and will be brought to El Paso by the Arizona golf team and will be competed for here over the highland links. Hugh T. Cuthbert, the benefit captain of the Douglas club team, will return from his honeymoon trip in time to compete in the annual play and before leaving El Paso Wednesday, he promised to bring the best team that has ever played over a southwestern course when the Douglasists come over.

A. W. Bakker, of Houston, was the guest of C. H. Leavell at the Country Club Thursday and played around on the El Paso course. He was anxious to play over this course as he had heard of it and as soon as he was in the country and wanted to try his luck on it.

The course has been rolled, the greens fixed and it is now in the best condition it has been since it was laid out. The play is heavy, since the return of the summer vacationists, and the announcement of the dates for the annual Douglas-El Paso match is expected to stimulate interest in the game.

MATERIAL SHIPPED
FOR SANATORIUM

El Paso Babies to Be Made
Comfortable at Opening
of Next Season.

Material is being shipped from here for El Paso's baby sanatorium, which is to be erected at Cloudcroft this fall. The sanatorium has been financed by the men who have been working in the interest of the baby life saving station, and as soon as the water has been piped up Salloway Place to the site of the building on Deer Ridge, contractor Frank Powers will begin the construction of the summer home for the sick babies of El Paso and the entire southwest. Mr. H. E. Stevenson has been working in the interest of the sanatorium since the suggestion of having such an institution was first made.

The first unit of the sanatorium will be built this fall, and other buildings will be erected as needed. This first building will cost approximately \$8000 and will be provided with private wards and a large ward room, dining room, office, kitchen, laundry and quarters for the nurses in charge. The building will be built almost entirely above ground just east of the big hotel and on high ground. It is expected to have the building completed and ready for use before the summer season next year, when the ailing babies of El Paso will be sent there to regain their health in the cool, pure air of the pines.

CLOUDCROFT SLATED
FOR A REALTY BOOM

New Addition to Be Opened
in the Sky Parlor Where
Homes Will Be Built.

Cloudcroft is having a boom. A new addition is to be opened within the next 30 days and the lots are expected to be sold before the close of the present season. The addition is to be laid out just east of the new hotel and the site of the baby sanatorium. It will be known as Deer Ridge addition. This addition will include 500 lots which will be offered for sale by the Cloudcroft company, which controls the greater part of the property in the reservation.

H. B. Stevens will leave Saturday for Cloudcroft with a party of El Pasoans, to locate sites for cottages in the new addition to Cloudcroft. A number of El Pasoans, including Julius Krakauer, are planning to build homes on five acre tracts near Cloudcroft, similar to that of Dr. H. E. Stevenson. These tracts will be planted with fruit trees and made the summer homes of the El Pasoans.

TWO NEW TENEMENTS
FOR EL PASO STREET

King Worley is laying the foundation for a model tenement house on Park street between Sixth and Fifth streets. The tenement is to be built of brick, faced with buff El Paso brick, with concrete foundation, and finished inside with modern conveniences, including plumbing. The building will have 22 apartments and as soon as it is completed, contractor Worley will begin the erection of a second one near the one now being built and of similar design. The material which is being used in the construction of these buildings is the salvage from the wrecking of the buildings on the site of the new Southwestern park between Mesa and Stanton street. As soon as the lease expires on the ground adjoining these tenements, he will erect another model tenement.

BUCKLER BUILDING IS
BEING RAPIDLY TORN DOWN.

The east and south walls of the Buckler building are being torn down to the steel support of the second story, in compliance with the order of the city council to have these walls wrecked because of their dangerous condition. The north and west walls will be left standing, and the two others rebuilt at once, making the reconstructed building two stories in height. The entire building has been leased to one real estate agency which will have the subrental of the building which will be divided into small store rooms on the first floor and offices on the second. A marble stairway

Remember about the Combined Stores. We have secured the store space of the Laurie Hardware Co. at 207 N. Stanton and have connected it with our store at 215 Texas St.

Fire Sale Values

GROW BIGGER
ALL THE TIME

You may wonder at this but it's true. We are busy all the time sorting salvage. As soon as we get part of it in shape we put that on sale. And, as we work fresh surprises assail us every day. Tomorrow the special features at the combined stores are—

Table Oilcloth 5c Yard

We have just come across a lot of Table Oilcloth that was scarcely damaged at all. Comes in white, marble and colors—and we make it an Extra Special tomorrow at, per yard.....5c

New Ribbons, Uninjured

Another feature for tomorrow is New Ribbons. A great deal of our fall stock of ribbons arrived just before the fire. Now, we find that these ribbons were absolutely uninjured. But, we offer them any way at Fire Sale prices. Here is your opportunity to buy ribbons of all kinds—ribbons for making dainty Christmas gifts, ribbons for the little girls' hair—all at a mere fraction of their value.

Outing Flannels,
Ginghams, Etc.

Quantities of outing flannels, ginghams and similar fabrics were among the last lot of salvage taken from the wreck of the old building. These also were scarcely damaged. On sale tomorrow.

Sale of Knit Underwear Still a Feature of Fire Sale.

The October Delineator
and Butterick Patterns for October
now on sale at the Combined Stores

Calisher's

J. Calisher Dry Goods Co. (Incorporated)

will be built from the Mesa avenue entrance to the second floor. Both the fronts will be of plate glass.

CALISHER COMPANY'S NEW HOME TO BE READY SOON

The Welch building is being remodelled rapidly for the temporary quarters of the J. Calisher company. The second and third floors are now being re-laid and the counters and shelving are being built. The work on the first floor is now in full operation, since the Welch stock has been removed and it is expected that the Calisher company will be in its temporary building by the 15th of this month.

SECOND STORY OF MILLS BUILDING IS FINISHED

The second story of the Anson Mills building has been built in the rough and the concrete beams and columns are now being poured by the concrete crew. The big building is beginning to take form and an idea may now be had of the appearance of the tallest El Paso building when it is completed.

REMODELING OF SHELTON CONTINUES RAPIDLY

The interior remodeling of the Sheldon continues. While the heating plant is being removed from the base-

ment the upper floor rooms are being redecorated and new plumbing and wiring installed. The new entrance has been opened onto Pioneer place and the big dining room of the old Sheldon divided into store rooms.

PENNSYLVANIA CONGRESSMAN WILL FACE SERIOUS CHARGE

Warren, Pa., Sept. 8.—The trial of former congressman Joseph C. Sibley, and four co-defendants on charges of "debauching voters of Warren county," court will consider a motion for a continuance for 30 days. Sibley was not present, a lengthy affidavit being filed asserting his physical disability.

DEMOCRAT IS SELECTED BY VAUGHN VOTERS

Vaughn, N. M., Sept. 8.—The election yesterday was quiet. The Democratic ticket polled a majority of votes in the two precincts. J. P. Williams being elected delegate to the convention.
